## Calls for Service Trends

Calls for service within TCA amounted to 57 calls in May 2022, representing a typical volume and (for the second month in a row) at the exact average call volume per (31 day) month.

Calls of “family offenses” was the only category listed at a significantly high volume; in the past few years, this category has averaged 6 calls per month.

Readers should note that calls described here may ultimately result in reports describing an incident outside the TCA boundaries, or outside this reporting period. Below one can find a table describing the disposition of calls by category:
